

They devoted themselves to the teaching of the apostles and to the communal life; to the breaking of the bread and to the prayers.

Awe came upon everyone, and many wonders and signs were done through the apostles.

All who believed were together and had all things in common; they would sell their property and possessions and divide them among all according to each one's need.

Each day they devoted themselves to meeting together in the temple area and to breaking bread in their homes.

They ate their meals in exultation and sincerity of heart, praising God and enjoying favor with all the people.

And every day the Lord added to their number those who were being saved.

Acts of the Apostles 2:42-47

What is it?

An ACTS retreat is a three-day, three-night Catholic lay retreat presented by women who have attended prior ACTS retreats, under the guidance of a Catholic Guide. Retreat activities focus on Adoration, Community, Theology and Service. Scripture and the teachings of the Catholic Church are the guides. The goals are to renew yourself spiritually, to strengthen your faith and its application in your daily life, and to create lasting and supporting friendships. This is done via a positive, lively and interactive manner. Participants return to their parish faith communities with a deeper love for each other and a desire to become more involved.

Past Reactions:

"I was at a low time in my life, and I made a decision that if one of my friends mentioned the retreat I would go with her. I was glad I did. Not only was it amazing, fun and prayerful, I came home with a multitude of friends that I now call my sisters in Christ. My family multiplies tenfold with each retreat. Blessings abound all weekend long." ---**Kim**

"I attended my first retreat in June of 2017, and I am so glad I did. I experienced so many beautiful and blessed moments on my retreat. These moments were filled with love and spirituality. It allowed time for me to develop a deeper and more intimate relationship with God. I realized during this weekend that I was not alone with my difficulties and struggles. I came home from that weekend just filled with the Holy Spirit! I gained a renewed and deeper relationship with God and made many wonderful friendships with other women. It changed my life." ---**Betty**

"October of 2022, I went on my first retreat. I am so grateful that someone suggested I go on the retreat. I had no idea what to expect. What I experienced that first retreat weekend was the beginning of a transformation of my faith life. It created in me a much deeper passion for continued growth in my relationship with God on a daily basis. I have now been on three ACTS retreats. I have met so many beautiful women on each retreat who I now share a special connection with, we are ACTS sisters and friends." ---**Marianne**
